PROCEEDINGS OF THE GOVERNMENT OF MYSORE

(INTRODUCTORY REMARKS)

During the rule of the Chief Commissioner of Mysore (1831-1881) the monthly Proceedings Volumes containing important orders etc., relating to the administration of the State was being compiled from May 1873 to March 1881. For the period from 1834 to 1891, only an Abstract of Proceedings in one volume was compiled. After the restoration of Mysore to Native Rule in the year 1881, the Government of His Highness the Maharaja of Mysore continued to compile the monthly proceedings volumes from April 1881 to April 1949. It should be noted that from July 1904 to June 1906, separate departmental Proceedings, viz. Financial, General, Legislative and Judicial, Local Funds and Sanitary, Military, Muzrai, Public Works, Railway, Geological, and Revenue were compiled. After the merger of Mysore with the Indian Union also, the Proceedings Volumes continued to be compiled from May 1949 to March 1961. In these printed Volumes of Monthly Proceedings of the Government, in addition to important orders, etc., issued by the State Government, abstracts of Matters of Routine are also included. The compilation is arranged departmentwise. They are also, in most cases, provided with a nominal index at the end. These Monthly Proceedings volumes were Originally intended for Official use only; but they are now thrown open for consultation by research scholars and the General Public. These Volumes are microfilmed in Chronological order. The list follows.

PREFACE

VOLUME I

The Karnataka State Archives has prepared this catalogue of the Printed Proceedings of the Government of Mysore. A selection of important papers from the proceedings of the Government of Mysore from 1834 to 1891 in one volume have been included. A chronological list of the printed proceedings of the Government of Mysore from 1873 to 1961 has been prepared. The Chief Commissioner of Mysore and Coorg Provinces issued monthly proceedings from May 1873 to March 1881. After the Rendition in 1881, the Government of His Highness, the Maharaja of Mysore issued monthly proceedings of all Governmental departments. From July 1904 Government commenced to issue on separate departmental proceedings for each month i. e., Financial, General, Legislative and Judicial, Local Funds and Sanitary ; Military, Muzrai, Public Works, Railway and Geological, Revenue. This system was dropped in July 1906 when the Government resorted to the previous system of issue of monthly proceedings volumes only.

MEMORANDUM.

Rules regarding the remuneration of Patels and Shanbhogs.

1. The settlement of the Pateli and Shanbhog Service Inam lands effected under the Notification of 27th October 1871 is not an "enfranchisement" of the same. Such an "enfranchisement" was proposed by Colonel Meade (*vide* para 15 *et seq.* of his letter to Government of India, dated 11th April 1874), but was finally abandoned (*vide* para 2 of Government of India letter, dated 10th July 1874.)

2. The settlement effected is as follows:—

1*st*. Full survey assessment is fixed for Service lands (in the possession of the Hakdar, one or more) and any existing quit-rent already paid upon them is deducted therefrom and the balance is regarded as "Profit;"

2*ndly*. "Profit," is subjected to a further payment (or additional taxation) to reimburse the Treasury for the "Salary" of the officiator; and

3*rdly*. If the "Profit" is *more* than the payment on account of "Salary," one-half of the difference (or 'Net profit') is charged on the lands by way of an additional Jodi.

Thus the Service lands are subjected to payments of the original Quit-rent, if any, of the officiator's 'Salary' in full within the limit of the 'Profit,' and of one-half the 'Net profit,' *if any*.

3. If the above interpretation is correct, Rule XXIII of the Notification of the 27th October 1874 is wrongly worded, for it prescribes the levy of an additional jodi equal to half "the Profit" and not half the "Net profit" as above defined.

I would like to have Colonel Grant's explanation on the above point and a description of the manner in which he has been carrying out Rule XXIII.

4. Again in Rule XV it is said that the amount of "Quit rent" fixed on the holding of each share-holder is fixed for the term of settlement but that the amount of the Officiator's salary will be revised once after ten years. This rule was adopted at the suggestion of the Government of India and against the views of the Survey Commissioner. (*Vide* Chief Commissioner's letter to Government of India, dated 27th October 1874, para 3, and Survey Commissioner's letter, dated 12th August 1874, para 2.)

What does the Survey Superintendent understand by "Quit-rent" in this rule? Is it any original "Quit-rent" paid by the Service Inam? If so, it is not liable to revision. On a revision, the full Survey assessment and therefore the 'profit' may be more, but the original quit-rent is a fixed sum. "Quit-rent" in rule XV can reasonably mean only the sum total of the payments described in para 2 above. If this is accepted, any revision of remuneration after ten years will subject the Treasury to a loss, for we shall merely increase the salaries paid from the Treasury and not levy the equivalent of such increase from the Service Inam lands. Has any revision of salaries been effected without increasing the total payments levied from Service Inam lands? In what Taluks and with what loss to the Treasury in each Taluk on account of unlevied *increase*, justly leviable from Service Inam lands? I shall feel obliged for any information Colonel Grant can give me upon these points.

5. Rule XXVII is not very clear. Of course "Hereditary Officer" in this rule includes a sharer and officiator. What is the "Jodi tax" referred to in this rule? Has it reference to Column 3 or Column 8 of Rule XXV? It is evident these rules which have the force of law should be carefully revised with proper definitions of terms used.

6. Rule XXXVI prohibits strict enforcement of the Circular Notification of 11th September 1835. The date of this Notification is elsewhere stated to be 9th September 1835. *Vide* page 86 of the Revenue Manual. This should be verified.

This Notification among other matters prohibited alienation of Service Inams. What is the object of such prohibition when under Rule XXVII the hereditary officer can relinquish it, and when under Rule XXVIII, the Service land is to form no part of the Officiator's "Salary."

The prohibition of alienation in the general terms of Rule XXXVI would have the effect of rendering every 'alienation' invalid. Under our present system, there is no object whatever in providing for this result. It will be sufficient if the Government treated every "alienation" in the manner provided for "relinquishment" in Rule XXVII. We do not want to deprive the alienee of the alienated land, though he can be deprived of it under a strict enforcement of the Rule. We only want to charge full assessment on it in the hands of the alienee, making corresponding deductions in the total payments leviable on the Service Inam.

This is what Government has done in some recent cases and it should continue to be done, as it is perfectly legal for Government not to enforce the full penalty of actual resumption of land by eviction of the alienee. But the rule itself should be modified.

7. Rule XXXVI is general in directing the enforcement of the Notification of 11th September 1835 and therefore it has the effect of laying down that—

(*a*) the Village offices are, as a general rule, to be considered hereditary and to be enjoyed by father and son in succession ;

(*b*) if in any case, the hereditary claimant to the office is found unfit or unworthy from incapacity or bad character, his claim may be rejected, another person properly qualified being appointed, preference being given to a near relative of the Mirasdar ;

(*c*) where the office is held by two or more Co-partners or Sharers, they shall all jointly and individually be responsible for the due and honest discharge of its duties, on the penalty of the forfeiture of the right on the proved misconduct of any one of the joint partners.

When revising the present rules, some express provisions to the above effect should be made in it. Such Provisions existed in Colonel Prescott's first Draft in express terms. The final Draft adopted enacts the same provisions by the unsatisfactory means of Rule XXXVI.

8. I have very carefully considered the larger question of the substitution of 'land' for 'cash' emoluments contemplated in Proceedings dated 16th September 1885 and have come to the conclusion that such a change is undesirable.

K. SHESHADRI IYER.

4th July 1894.

P. S.—For the calculation of the Gross Revenue for the purpose of these rules, the Rule approved in Chief Commissioner's Proceedings, dated 21st January 1881, should be entered in lieu of Rules XVI and XVII, in the revision now proposed.
